Growers Market's Weekly Newsletter

NEW PRE-ORDER & STANDING ORDER POLICY

In yet another valiant effort to reduce waste here at Growers Market, we are instituting the following policy beginning December 4th for our pre order and standing order shoppers: Each week as you purchase your pre-order produce, please turn your pre-order form in to the cashier as you check out. We (the Growers Market Big Brother) will be tracking the orders looking for patterns. If a member does not pick up their pre-order, we will call to remind them. If a member does not pick up their standing-order, we will stop ordering that standing-order. If we see that there are members who are consistently not picking up pre-orders, we will be initiating problem solving conversations with those members, and may choose to ask certain members not to make pre-orders any more. Please don't take this personally; we've had a lot of produce pre-ordered and not picked up lately, and we've had to write a lot of it off, resulting in a loss to the Market.

NO STUFF ON THE DOCK

In order to keep our space clean and free of many kinds of clutter, we need to remind everyone that the dock is not a Free Space. We do not have the means to keep an outdoor free space, so please stop leaving stuff there! The shelf at your left as you walk in the door is a small space for excellent stuff you would like to share. Otherwise, bring your stuff to a Swap or take it to a thrift donation site. Thank you for helping keep our market clean!

GROWERS MARKET BUY-NOTHING-DAY-FREE-SWAP!

On Friday 11/28, from 2-6 PM we will be hosting the first-ever Growers Market buy-nothing-day-free-swap. Bring in your quality stuff that you need to get rid of to trade for some things you just might need. Find recycled gifts! Empty out that cupboard (you know the one I mean)! Fight the American Shopping Machine. One persons Trash is someone else's SCORE!!

GROWERS MARKET COOKBOOK?

Looking for an easy Pumpkin? Submit a recipe for the Cookbook we are creating! Email one or more favorite recipes to growers.market@gmail.com We will give you a Pumpkin when you submit your first recipe. Multiple submissions are encouraged, but we can give only one Pumpkin per member. Please make sure that your recipes are either vegetarian or include a vegetarian option. Recipes made with exclusively (or mostly) ingredients that you can get at Growers are preferred. The Cookbook will be sold as a Growers Market fundraiser.
