## GROWERS IS GETTING PAINTED!!!

The interior of Growers will be repainted in the near future. The walls and ceiling will be painted some type of white/off white color EXCEPT for the murals and the wood on the ceiling. We will keep all the murals and the wood on the ceiling as is. The multi-colored poles will each be painted a different color. The color of each pole will be one of the colors that already exists on the pole. A final decision will be made by the coordinators at the September meeting. If you have any comments or suggestions you can place it in the suggestion box or give them (written down!) to any coordinator.

## PARKING LOT NEWS

The City of Eugene has started paving the AMTRAK lot in front of Growers. The project will be in two phases and take three months. The first phase which will take one and a half months will be to pave the lot in front of Growers Market.

We have lost our five parking places along the fence for the full three months, but we have five substitute spaces east of the train depot. To the right of the MECCA Building, spray painted with a "G" and they say "Reserved."

Small trucks, vans and automobiles will be able to park temporarily in front of Morning Glory. Customers will be able to park for 10 to 15 minutes. Commercial vehicles will be able to park longer. Large trucks will have to park in front of Central Blueprint and bring their deliveries down the alley. The dumpsters will move over by Jackelope during phase one.

#### **Green Bean & Gorgonzola Pasta**

2-3 Yukon Gold potatoes

1 # Multi-grain pasta such as penne or farfalle

3/4 # green beans - snapped into pieces

1/2 # gorgonzola - crumbled

5-6 fresh Sage leaves - minced(you can use dried sage in a pinch)

2 tbl. butter (or butter alternative)

1/2 cup pecans - minced and toasted

Salt & Pepper

Cut the potatoes into 3/4 inch cubes. Bring a large pot of water to a boil. Add the potatoes and cook until almost done. Add the Pasta and cook until almost done. Add the green beans for just a minute or so. Reserve 1/2 cup of the cooking water and drain the rest. With everything back in the pot add minced sage leaves, butter, crumbled gorgonzola, and toasted pecans. Stir and toss. Add the reserved cooking water to thin the cheese if necessary. Salt and pepper to taste. Excellent on a summer evening, and very easy.((Now you send me your recipe!
