## FRIDAYS AT GROWERS ARE GETTING LONGER!

Beginning Oct 2<sup>nd</sup>, Growers will be open from 9am 'til regular closing time. Please plan to pre-order produce if you think you'll be shopping on Fridays – the pre-orders are pulled separately and saved out for us on Thursday, so it's pretty guaranteed to be there for you, and makes ordering and reducing food waste more possible. Also, if you are interested in strawboss or co-coordinator shifts on Friday, please contact Cialin at [cialin@efn.org](mailto:cialin@efn.org). See you then!

## NEW ITEM

We now field roast vegan sausage. I tried them recently and they are wonderful. Good texture, good flavor, just take the casing off first. Enjoy. Sue

## GROWERS IS GETTING PAINTED!!!

The interior of Growers will be repainted in the near future. The walls and ceiling will be painted some type of white/off white color EXCEPT for the murals and the wood on the ceiling. We will keep all the murals and the wood on the ceiling as is. The multi-colored poles will each be painted a different color. The color of each pole will be one of the colors that already exists on the pole. A final decision will be made by the coordinators at the September meeting. If you have any comments or suggestions you can place it in the suggestion box or give them (written down!) to any coordinator.

## COOKBOOK SUBMISSIONS

Earn a Pumpkin by submitting a recipe for the first ever (still trying to compile!) Growers Market Cookbook! Think of all the tasty food you cook with your groceries from her, your favorite recipes that you made up as soon as you saw that luscious produce...1 pumpkin will be given to each member for one or more recipe submissions. Send recipes to [growers.market@gmail.com](mailto:growers.market@gmail.com). If your recipe involves meat, please include an option for vegetarians. We really, really like recipes that can be made with ALL Growers ingredients (so we don't have to make an extra stop somewhere else...). To inspire you:

## WELCOME SCHOOL GARDEN PROJECT

The new upstairs tenant in the Growers Market Building is the School Garden Project, which helps schools create and maintain gardens where hands-on learning connects students with their environment and local food system. Each year, their educational programs serve more than 800 students, and they provide more than 15,000 plant starts to school gardens in four school districts. --Milton Takei

## **PARKING LOT NEWS**

The City of Eugene has started paving the AMTRAK lot in front of Growers. The project will be in two phases and take three months. The first phase which will take one and a half months will be to pave the lot in front of Growers.

We have lost our five parking places along the fence for the full three months, but we have five substitute spaces east of the train depot. To the right of the MECCA Building, spray painted with a "G" and they say "Reserved."

Small trucks, vans and automobiles will be able to park temporarily in front of Morning Glory. Customers will be able to park for 10 to 15 minutes. Commercial vehicles will be able to park longer. Large trucks will have to park in front of Central Blueprint and bring their deliveries down the alley. The dumpsters will move over by Jackelope during phase one.

The co-op will be open during the project. Please let the building manager know if you experience any problems concerning the parking lot. – Edward, 687-8648
